ABOUT US

Srivari Constructions is a pioneer in Civil Engineering, Road Works, Interiors, and Architectural Designs.

Mr.Munuswamy started his carrier as a General Works Contractor in 1988 & established Srivari constructions in 1990 as a Sole Proprietor. He carried out various construction jobs under his direct supervision and control.

In 2001, Mr.Thirusangu his son took over and set up a base in Trichy and upgraded the firm to a Partnership firm. Under his supervision, he executed various government and private projects over Tamilnadu.

In 2014, Mr.Muhilvannan son of Mr. Thirusangu joined as a partner who has completed his Civil Engineering at the College of Engineering, Guindy,Anna University. He has further expanded the Company in all sectors including Major Building Projects, Roads, Bridges & Dams.

So Srivari Constructions have been in this sector for the past three generations. We are one of the prominent companies in South India and have received several awards for excellence in the construction sector. We have the capacity to mobilize human resources and equipment for all kinds of civil works of any magnitude. We are assisted by a team of qualified and experienced engineers who are well-versed in executing all civil engineering projects, with a wilful commitment to quality and project schedule to the entire satisfaction of all our esteemed clients.

Message From Managing Director

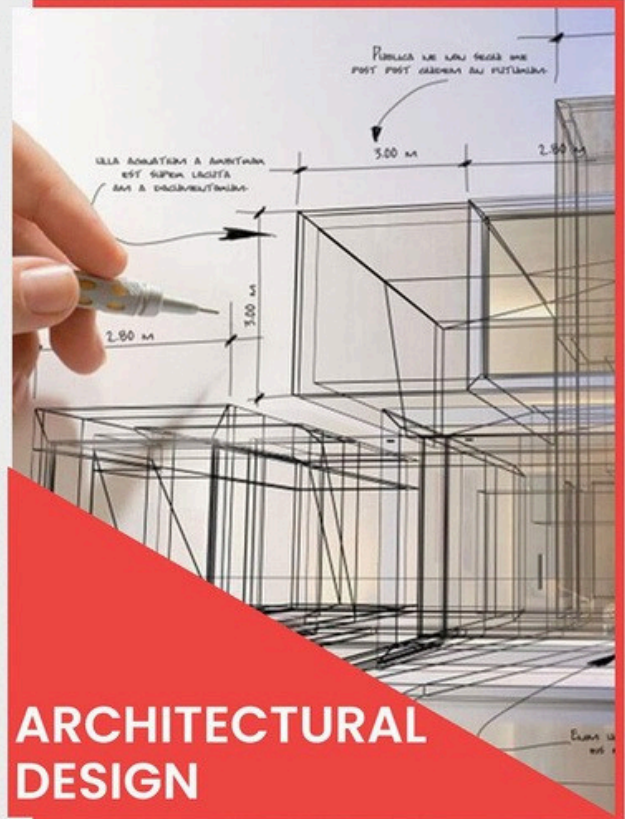

Srivari Constructions has been a brand name in Building Construction and Civil Engineering since 1990. The company is known for the quality of job execution with the help of a dedicated workforce supported by the company's policy to retain the best talent. We have a strong philosophy and work culture. We are our own competition; we keep setting new standards constantly through every new endeavour.

In preparation to meet the growing market demands for construction, we have heavily invested in employing a highly qualified management team and staff to meet standards and also in plants, tools, and equipment coupled with our vast experience in the construction field. We will continue to enhance our commitment and capabilities in the construction industry with integrity, and strive for business excellence.
